Yelo Weed Wipers offer a targeted, no-drift way to control weeds while protecting pasture. By wiping herbicide directly onto problem weeds that stand above the grass, they reduce chemical use and help avoid off-target damage. Simple to operate and built for everyday farm conditions, Yelo Weed Wipers are a practical solution for effective weed control.

4.5M ELIMINATOR

With a 4.5m wiping width, you cover more ground in each pass, making it ideal for larger paddocks and heavier infestations.

FEATURES

- Angled woollen wiper arms to rotate weeds
- Height adjustable rear wheels and skids on wings
- Bruise bar to maximise chemical uptake
- Electronic controller to adjust the chemical flow
- Manual folding wings for transport

SPECS

- 4.5m Wide/Wiping Width
- 50L on-board tank, pump with bypass pressure system included
- Swivel Tow hitch
- 119kg weight empty

Part No 1016/1017

2.4M ELIMINATOR

With a 2.4m working width, it offers practical coverage in a manageable size. As the centre section of the larger Eliminator range, it operates without extension wings, making it a simpler and more affordable option for smaller paddocks and lifestyle properties.

FEATURES

- Angled woollen wiper arms to rotate weeds
- Height adjustable rear wheels and skids on wings
- Bruise bar to maximise chemical uptake
- Electronic controller to adjust the chemical flow

SPECS

- 2.4m Wide/Wiping Width
- 50L on-board tank, pump with bypass pressure system included
- Swivel Tow hitch
- 79kg weight empty

Part No 1015/1017

1.95M ELIMINATOR

The Yelo Eliminator 1.95m Weed Wiper delivers pasture protecting, targeted weed control in a compact, lower spec setup designed for smaller properties and tighter areas. This model is well suited to lifestyle blocks, smaller paddocks and operators wanting a straightforward and affordable solution.

FEATURES

- Angled woollen wiper arms to rotate weeds
- Height adjustable side wheels
- Electronic on/off switch

SPECS

- 1.95m Wide/Wiping Width
- 50L on-board tank, pump with bypass pressure system included
- Swivel Tow hitch
- 66kg weight empty

Part No 1127

NO FUSS, ALL FUNCTION
